The sanctions and penalties that may be imposed by the Code Enforcement Officer pursuant to this Article constitute an appropriate exercise of the City's police powers in response to the proliferation of the above-described public nuisances. - E. *Powers of the Code Enforcement of the City of Harrington with respect to public nuisances.*** In addition to any other enforcement procedures established elsewhere, City of Harrington Code Enforcement shall be authorized:
- 1. To order the temporary closing of the building, erection, residence, or place, or unit in the case of a multi-unit building to the extent necessary to abate the nuisance; or
 - 2. To suspend for a period not to exceed six months or revoke for a period of one year any license or permit issued by the city related to the conduct of a business or trade at the premises, including a residential rental business license, which suspension or revocation shall also apply to any other locations or dwelling units operated by the holder for which the license or permit is required if it is determined by the commissioner that a pattern of nuisance activity is also occurring in or upon other locations or dwelling units operated by the holder of the license or permit; or
 - 3. To issue a criminal summons to the owners, occupants, lessors, lessees, licensees and all those persons in possession or having charge of the property as agent or otherwise,

or having any interest in the property, real or personal for conducting or maintaining a public nuisance property; or

4. Any combination of the above.

F. *Notice.* Prior to exercising the powers enumerated in subsection (e) above, Code Enforcement shall give notice to the owner, lessor, or licensee of the existence or potential existence of a public nuisance at the subject property. Such notice shall be placed in writing, include a description of the property sufficient for identification, a statement of the nuisance activity occurring in or upon the property, and the potential penalties which may be imposed under this section if the activity continues. Such notice shall be deemed to be properly served upon the owner, lessor, or licensee by mailing the notice to his last known address, via certified mail, return receipt requested, or if the notice is returned by the postal service, by posting a copy of the notice in a conspicuous place on or about the dwelling affected by the notice. The Code Enforcement Officer may, at their discretion, serve the notice by hand delivering the notice to the owner, lessor, or licensee at his usual residence or place of business in the presence of someone in the residence or business 18 years of age or older.

G. *Lack of knowledge not a defense.* The lack of knowledge of or acquiescence to or participation in or responsibility for a public nuisance on the part of the owners, occupants, lessors, lessees, and all those persons in possession or having charge of the property as agent or otherwise, or having any interest in the property, real or personal, used in conducting or maintaining the public nuisance, shall not be a defense by such owners, lessors, lessees, and such other persons.

H. *Orders of the commissioner of licenses and inspections.*

1. Orders of the City of Harrington Code Enforcement issued pursuant to this Section shall be posted at the building, erection, or place where a public nuisance exists or is occurring in violation of law and shall be hand delivered, or mailed via certified mail, return receipt requested, within one business day of the posting.
2. Ten (10) business days after the posting of an order issued pursuant to this Section, and upon the written directive of Code Enforcement and/or the Harrington Police Department, City Officials are authorized to act upon and enforce such orders.
3. Where City of Harrington Code Enforcement closes a building, erection, residence or place pursuant to this Section, such closing shall be for such period as the officer may direct, but in no event shall the closing be for a period of more than one year from the posting of the order pursuant to this section.
4. A closing directed by the Code Enforcement Officer pursuant to this section shall not constitute an act of possession, ownership, or control by the city of the closed premises. The owner of the premises shall continue to be responsible for the property.
5. Right to appeal. The party to whom the order directing closure of the building, erection, residence or place is addressed, or whose business license has been suspended or revoked, may appeal said closure, suspension, or revocation to the licenses and

inspections review board upon filing an application in writing, together with a mandatory \$50.00 non-refundable filing fee, with the City of Harrington, within ten (10) business days of receiving the order. The application for appeal shall state with specificity the grounds for appeal. The Board, following a hearing, may affirm, modify or reverse the City's order in accordance with its rules and regulations; provided, however, that any such appeal regarding the requirements, applicability or enforcement of the provisions of this Section shall not be filed or pursued for purposes of delay or avoidance, or in order to obtain the rehearing of any other order of the City, the department, or the Board, including any such order related to the enforcement of any other provisions of this Code regarding the same premises or any incidents, events, activities or conditions which gave rise to the issuance of any order pursuant to the provisions of this section. Any appeal to the Board of an order directing closure of the building, erection, residence or place, or an order suspending or revoking a business license shall act as a stay of that order until a decision has been rendered by the Board in that appeal proceeding.

6. Voluntary abatement action by the owner, occupant, licensee, lessor, or lessee. If the owner, occupant, licensee, lessor, or lessee submits proof satisfactory to Code Enforcement that the nuisance has been abated and will not again be created, maintained or permitted, the Code Enforcement Officer may, in his discretion, vacate the provisions of the order that direct the closing of the building, erection, or place, or suspension of the license or permit. However, such order may be re-issued if further incidents occur in or upon the property. With regard to residential rental properties, if the owner or lessor submits proof satisfactory to the officer that he has filed an eviction action against the lessee(s) of the premises, and that he is actively pursuing such action, the officer may stay the order directing the closing of the building, erection, or place, or suspension of the license to permit the owner or lessor to complete the eviction process. If at any time the Code Enforcement Officer determines that the owner or lessor is not actively pursuing the eviction action, he/she may re-instate the order.

I. *Penalties for offenses.*

1. It shall be a misdemeanor for any person to use or occupy any building, erection, residence or place, or portion thereof, ordered closed by the City of Harrington Code Enforcement pursuant to this section.
2. Mutilation or removal of a posted order of the Code Enforcement Officer shall be punishable by a fine of \$250.00, provided that such order contains notice of such penalty.
3. Intentional disobedience or disregard of any provision of orders issued by the City of Harrington Code Enforcement pursuant to this Section, in addition to any other punishment prescribed by law, shall be punishable by a fine of \$250.00 for the first offense; \$500.00 for the second offense; and \$1,000.00 for the third and subsequent offenses, of which the minimum fine, if imposed, shall be mandatory and not subject to suspension.

4. A summons issued for conducting or maintaining a public nuisance property issued by the commissioner pursuant to this section, in addition to any other punishment prescribed by law, shall be punishable by a fine of \$250.00 for the first offense; \$500.00 for the second offense; and \$1,000.00 for the third and subsequent offenses, of which the minimum fine, if imposed, shall be mandatory and not subject to suspension.

SECTION 2. SEVERABILITY.

If any section, provision, or part of this Ordinance is held invalid by a court of competent jurisdiction, such ruling shall not affect the validity of the remaining portions of this Ordinance.

SECTION 3. REPEALER.

All ordinances and parts of ordinances inconsistent with the provisions of this Ordinance are hereby repealed.

SECTION 4. EFFECTIVE DATE.

The Clerk of Council shall certify to the adoption of this Ordinance and cause the same to be published as required by law; and this Ordinance shall take effect and be in force from and after its approval by Council.
